1. Attached [redacted] to this report is a list of shipments made by the Soviet-controlled forwarding agency Juschwneschtrans, Wohllebengasse 8, Vienna IV to Czechoslovakia during the period 11- 28 February 1955.

2. This list is believed to be a relatively complete tabulation of the overt shipments from Soviet economic agencies in Austria to Czechoslovakia during this period, which includes goods produced by USIA as well as those procured by Soviet-controlled trading firms in Austria. In additon, this series of Juschwneschtrans reports sometimes lists shipments of embargoed items, but the coverage of illegal shipments to the Orbit in this series is estimated to be only a small part of the total number of such shipments.

3. All shipments were moved by rail.
